These records must be maintained at your facility and available for inspection by Department personnel. At the end of the year all records must be mailed to: Wyoming Game & Fish Department, Fish Division, 5400 Bishop Blvd., Cheyenne, WY 82006. Retain a copy for your records.

¹ Enter name of seining license holder, name of fish hatchery or another live baitfish dealer license holder name and license number.

² Enter the drainage where wild caught fish were seined or trapped or hatchery location (city, state) if obtained from a Wyoming Commercial fish hatchery license holder or an out-of-state Department approved fish hatchery.

³ If live baitfish dealer is returning unused baitfish to the facility, enter "Self" for Vendor and leave Source field blank.
